**W. H. PECKITT'S  
BARGAIN LIST.**

No. 56.

OCTOBER 1944.

I beg to announce the purchase of the very important collection of  
**CAYMAN ISLANDS**  
Printed by LEON ADUTT, Esq.,  
MANAGER of the HAZEL HILLMAN MUSEUM, etc.

2 Each island has always been taken in this register into account, and I am very pleased to have been able to acquire the collection, which is well known as being the finest that has ever been put together.

3 A study of the stamps of this island will well repay the Collector, and it is suggested that very small lots of the numbers are, especially in the case of the Provisionals, "of their kind" as to their value to assist the acquisition of the "new" island stamps that follow in coming. It is suggested that the Collector should order for this material in West India, or direct the General Collector, and looking to the fact it is desired that there should be a very large reserve in value in the future.

4 This is a rare opportunity that most Collectors will have of purchasing these stamps at a reasonable figure. There therefore remains to be purchased, especially in the interest of those of the collectors who, living at a distance or abroad, are unable to see the Collection in a whole, to order the following catalogue list.

5 It will be very pleased to send free literature upon the subject, and I would gladly make out lists, looking to the very small numbers available, even to the extent of 10, if it is convenient to apply for same.
